

Flowers will bloom (The Tohoku Song)

My heart goes out to you
When the winter snows give way to spring
My heart is longing now
Longing for the town where happiness had been.

Been a place of hope and of dreaming too
Been a home when my heart always went back to you
But for now I only dream
Of the people who I loved and knew.

Someone is singing I can hear singing now
Someone is weeping I can feel the tears
Someone is smiling showing me
why and how to go on living for years and years

Flowers will bloom, yes they will yes they will
For you who are here or yet to be born.
They'll bloom, yes they will and they'll bloom again until
There's no missing sorrow and no reason left to mourn.

My heart goes out to you
When the morning sun lights up the pale blue sky
My heart is heavy now
With the grief I tried so often to deny

I regret mistakes that I sometimes made
But I know our love will never fade
And you'll live on instead of me
And that you will have whatever love can be

Someone is thinking I can read ev'ry thought
Someone is shedding tears for all that was lost
Someone is leading you to love
that they sought asking you to love all that you love the most

Flowers will bloom, yes they will yes they will
For you who are here or yet to be born.
They'll bloom, yes they will and they'll bloom again until
There's no missing sorrow and no reason left to mourn

Flowers will bloom, yes they will yes they will
For you who are here or yet to be born.
They'll bloom, yes they will and they'll bloom again until
There's no missing sorrow and no reason left to mourn

They'll bloom yes they will and they'll bloom again until...

You'll live and remember and love us forever more

And love us forever more...
